

APPALACHIAN CHAMBER MUSIC FESTIVAL

# Adult Intensive Chamber Music Workshop

2024

## Discover (or rediscover!) the joy of making music

with others and push the boundaries of string playing skills and expression. As the only workshop of its kind in the Eastern Panhandle, we look forward to sharing a fun and fulfilling weekend with you! Meet other local musicians and explore new music, all while participating in interactive sessions with both all-workshop and smaller chamber music ensembles.

## Get inspired and develop skills

Musicians will spend time with their ensemble receiving coaching from our professional ACMF musicians who bring their passion for chamber music and experience to each session. Activities may also include individual one-on-one work with a coach, group work to develop and refine skills needed by small ensemble musicians, and more!

## A unique and fun opportunity

- Open for all string players, limited space for winds and brass
- All levels welcome
- Individual musicians will be matched into small groups based on applications. Music will be selected and provided for each unique group.
- Preformed groups welcome - sign up and participate together! Bring music you are currently working on, or our instructors can select and provide something new.

## Apply online today!

Saturday, August 3 - Sunday, August 4

10 am - 5 pm each day

Tuition \$175, Lunch provided

*Need-based scholarships available*

Happy Retreat

600 Mordington Ave

Charles Town, WV 25414
